### THE SPOILERS

Begins in this issue. It is  
one of the best stories ever  
written by Rex E. Beach.

Congressmen who have recently vi-  
sited this city and the different islands  
state, in letters received here by the  
Sierra, that scenery in the States falls  
on them after the sights they have  
seen in Hawaii.

Read in Hawaiian Trust Co.'s ad  
how a married woman's property is  
distributed in event of her death,  
when she has left no will. If the ar-  
rangement doesn't suit you, better  
make a will today.

The perfection of the Phonograph  
has been the ideal of the great wizard,  
Thos. Edison. Call at Hawaiian News  
Co. and hear the Edison Phonograph.  
You can judge how nearly he has ac-  
complished the great work.

It is possible that the people of the  
Islands will see some real, genuine  
horse bucking in the near future. Eben  
Law, writing from Nevada, states that  
he will return here next month and  
that one of the greatest "bronco bust-  
ers" of the West will pay a visit here  
a little later and will give a few exhi-  
bitions.

Mail news by the Sierra brings the  
information that Miss Margaret Hyde-  
Smith and Harold B. Dillingham are  
engaged to be wed. Miss Hyde-Smith  
is a daughter of a well known family  
of San Mateo and is a favorite in Cal-  
ifornia cities. The report says that  
the wedding will take place shortly  
after Christmas.

Annie L. Roe has filed a petition for  
letters of administration to be issued  
to her on the estate of the late Henry  
Fogarty. She alleges that he left no  
will, but property consisting of office  
furniture and law books to the value  
of \$450. His heirs are alleged to be  
Mrs. Hopkins of San Francisco and  
John Hogan of the same place—a sis-  
ter and a brother.

Judge De Bolt yesterday granted the  
petition of Mrs. Bessie R. Burns that  
she be substituted as a party com-  
plainant instead of a party defendant  
in the suit of Carrie B. Riggs et al.  
versus Julia H. Afong. It is reported  
that Henry Afong, who is also dis-  
satisfied with the compromise, has re-  
tained R. W. Breckons as his attorney  
and will ask to be made a party com-  
plainant.

The Annual Harvest Festival will  
be celebrated tonight at the Salvation  
Army Hall. A sale of goods con-  
tributed by friends of Honolulu has  
been arranged. There will be drills by  
the Sunday School children and ice  
cream will be served and good music  
furnished by the Salvation Army  
Band. Everybody is cordially  
invited to attend this demonstration.  
Tuesday, September 24. Hall at cor-  
ner of King and Nuuanu streets.

In the Court of Land Registration  
yesterday a decree was entered regis-  
tering the title of Lewers & Cooke  
Ltd., to the property at the south cor-  
ner of Queen and Punchbowl streets  
used by them as a lumber yard. From  
this decree the Kapiolani Home has  
appealed, as it claims that the prop-  
erty is subject to a charge of about  
\$6000 due the Home from the two  
princes, David Kawananakoa and  
Mary H. Jonah Kalaniana'ole. Mary  
H. Atcherley also appeals from the de-  
cree.

Weeping eyes and aching head,  
Smarting lids a fiery red,  
Eyes so weak can barely see—  
Think you're on a nightly spree.  
Can neither read, nor think, nor sew,  
Go to church, nor shop, nor show.

### ABE RUEF TO BE PLACED UNDER GUARD.

San Francisco, Sept. 23.—The Su-  
preme Court has sustained the valid-  
ity of the grand jury which returned  
the indictments against Ruef and the  
other grafters.

A motion has been made that Ruef  
be now confined to two rooms and  
that two guards be placed over him.  
The city jail has been condemned  
as unsafe.

Ruef has been living in luxurious  
apartments on Fillmore street. He  
has had the full run of the house,  
and, in fact, of the city. It has now  
been decided to put a curb on his  
liberty by confining him to two  
rooms of the house and placing a  
guard therein.

### MOROCCO OUT FOR PEACE.

Paris, Sept. 23.—The tribesmen  
have yielded in all their demands to  
the French and peace has been de-  
clared throughout Morocco.

### PLAGUE CASES IN COAST CITY INCREASE.

San Francisco, Sept. 23.—The  
number of cases of bubonic plague to  
date in this city are reported at forty-  
two. There have been twenty-four  
deaths among the reported cases.  
In addition to the known cases the  
health authorities have twenty-four  
suspects under investigation.

### CURRIER SURVIVORS BROUGHT BY THETIS.

Seattle, Sept. 23.—The survivors  
from the wreck of the bark Currier,  
which went ashore at Bristol Bay on  
August 9, arrived here today on  
board the revenue cutter Thetis.

### SUPPLEMENTAL REPORT.

M. T. Simonton, to whom as Master  
was referred the final account of the  
administrator of the estate of R. W.  
Holt, has filed a supplemental report  
in reference to the original corpus  
amounting to \$27,273.84, upon which  
commissions at the rate of 2½ per  
cent have been charged by the ad-  
ministrator. He says:

"That in place of the statement that  
such fund (corpus) does not now exist  
the report should have stated:

"That such a fund no longer exists  
to the extent of its being a basis upon  
which to make an additional charge  
for commissions for the reason (1)  
that Mr. Long, as administrator, et  
sever received that amount from his  
predecessor; (2) that commissions on  
whatever sum he did receive have long  
ago been taken under the old unap-  
portionable rate; and (3) that such tak-  
ing of commissions operated to pre-  
clude the tacking on of the new ap-  
portionable rate except upon a basis  
which has never stood the charge for  
commissions."

## CUT OFF WOMAN'S HAIR

Hirano, a Japanese, does not seem  
to learn from experience. He is, at  
the present time, under a bond of  
\$1500 for his appearance in court to  
answer a charge of importing Japa-  
nese women into this country for  
immoral purposes. Notwithstanding  
the above serious charge that faces  
him, Hirano got possession of two  
Japanese women who arrived from  
Japan recently and whom he turned  
over to his wife, who was to instruct  
them as to what was expected of  
them. The two late arrivals rebelled  
against any such vocation, and at-  
tempted to escape. One of them,  
who made her escape and was about  
to elope with a Japanese and was mar-  
ried, was captured by Hirano and  
returned to his home on River street,  
where he took revenge against her  
by cutting all her hair from her  
head. He has been arrested for this  
offense.

### CHILDREN IN OPERA

Satisfactory rehearsals for the  
Rival Queens to be given in the Opera  
House and the children are very en-  
thusiastic in their work. The surplus  
funds obtained from the presentation  
will be used for the library and the  
purchase of magazines for the school.  
There will be nearly one hundred  
children on the stage at one time, and  
these will include goblins, fairies,  
princes and queens. The capers of the  
goblins will furnish fun galore and the  
fairies are especially bewitching.  
There is a surprise in store for the  
town in the singing of the children.
